## Membership benefits

- **Seasonal meetings** on sheep health matters; including ewe nutrition, reproductive diseases, worm management, lameness, iceberg diseases and trace elements.
- **Benchmarking**; collecting and anonymising data for discussion in the group, including antibiotic use, worming data, forage analysis and lamb growth rates.
- **Discounted routine vet time** for health plans and required paperwork including VANs and Red Tractor.
- **Disease alerts**; subscription to a mailing list giving timely updates on local disease outbreaks, including Sheep Scab, high worm burdens and *Haemonchus* diagnosis, Bluetongue and Schmallenburg cases.
- **Discounted Worm Egg Counts** - (30% off) and Treatment Efficacy Checks (40% off) - and up to date veterinary worm management advice.

£25 + VAT per month To join, call 01278 663399 or email [office@thefarmvets.co.uk](mailto:office@thefarmvets.co.uk)
